---

June 9 (W) ***Exam on Module #1 – Organization of the Human Body***  
→ Start Module #2 - Chemistry of Life

---

June 14 (M) → Continue Module #2 - Chemistry of Life

---

June 16 (W) ***Exam on Module #2 – Chemistry of Life***  
→ Start Module #3 - Cytology

---

June 21 (M) → Continue Module #3 - Cytology

---

June 23 (W) ***Exam on Module #3 – Cytology***  
→ Start Module #4 – Histology

---

June 28 (M) → Continue Module #4 – Histology

---

June 30 (W) ***Exam on Module #4 – Histology***  
→ Start Module #6 on Osseous Tissue

---

July 5 - 10 (M W) Summer Break  
→ Start Module #5 - The Integumentary System  
(Do this on your own)

---

July 12 (M) ***Exam on Module #5 – The Integumentary System***  
→ Continue Module #6 on Osseous Tissue

---

→ Start Module #8 – Articulations

---

July 14 (W) ***Exam on Module #6 – Osseous Tissue***

	→ Start Module #7a on Axial Skeleton
July 19 (M)	→ Continue Module #7a on Axial Skeleton
July 21 (W)	<b><i>Exam on Module #8 – Articulations</i></b> → Start Module #7b on Appendicular Skeleton
July 26 (M)	<b><i>Lab Practical #1 – The Histology Practical</i></b> → Start Module #9 - Glycolysis and Cellular Respiration
July 28 (W)	→ Continue Module #9 - Glycolysis and Cellular Respiration
August 2 (M)	<b><i>Exam on Module #9 – Glycolysis and Cellular Respiration</i></b> → Start Module #10 - Myology
August 4 (W)	<b><i>Lab Practical #2 – Bones</i></b> → Continue Module #10 – Myology
August 9 (M)	→ Start Module #11 - Nervous Tissue
August 11 (W)	<b><i>Exam on Module #10 – Myology</i></b> → Continue Module #11 - Nervous Tissue → Start Module #12a – Spinal Cord
August 16 (M)	<b><i>Exam on Module #11 – Nervous Tissue</i></b> → Start Module #12b – Brain → Start Module #12c – Autonomic Nervous System
August 19 (Thurs)	<b><i>Exam on Module #12 – Spinal Cord, Brain, and Autonomic NS</i></b>
